

# **Cypress Island Golf Course**

## **Electric Golf Cart Usage**

Any person who may be physically challenged may request permission to use an electric golf cart on the Cypress Island Golf Course for play only. The permission form will be submitted to the golf committee for approval. Submit the form to Dick Dixon at 9404 Short Putt Court. The phone number for Dick Dixon is 793-5990. A letter from your doctor may also be requested.

### **Rules:**

The golf cart will be inspected annually by the golf committee and approved for use on the course.

The golf cart may not be driven on any green or tee at any time, only be used for golf, keep away from the ponds and off the slopes near the ponds.

Entry and Exit from the course will be by the tennis courts. Cart must be driven by applicant or a licensed driver. If any damage is done to the golf course by the golf cart, the owner of the golf cart will be responsible to pay all damages.

Golf Course will be closed to all golf carts for play on rain, sleet, and snow days. Carts may not be used on the course if any frost is on the course or temperature is 32 degrees or below.

Golf cart is not to be driven into any beds or on home owner's property. Please keep the golf cart on the course.

If any rules are broken on the course that involves a golf cart, a fine will be issued of \$100 and use of the golf cart will be restricted until the fine is paid and any damages have been paid.
