Other rules strictly apply. Other Stonesthrow community members using the pool should be shown courtesy at all times.
4. All users of the pool must conduct themselves in a courteous manner which ensures the safety of all. No abusive or offensive language, boisterous conducted or breach of peace will be tolerated.
5. Each member is responsible for any food he/she brings into the pool area and is responsible for clearing away and the area is "policed" when finished.
6. **No glass containers or breakable objects of any kind will be allowed in the pool enclosure.** Please use plastic cups and plates. Drinks & food may not be carried into the pool (water area).
7. Radios may not be played so loud that they disturb the peace. They may not be plugged into the receptacle in the soft drink area.
8. All members, including children and guests, shall use the pool and its facilities at their own risk. Stonesthrow Homeowners Association will not be responsible for loss, theft or damage to personal property of members or their guests.
9. Children under 14 years of age will not be admitted within the pool enclosure unless accompanied by an adult 16 years or older who will remain with the child. All said adults are required to watch, protect, and supervise and must assume responsibility for such children while in the pool area.
