**SECTION 4** - ACKNOWLEDGEMENTS AND SIGNATURE (REQUIRED)

I fully understand and agree:

1. Work on the project has not, nor will be, started until approval is received in writing from CEPCO or the ARC Committee.
2. I understand that my improvements must be completed per specifications or approval is withdrawn.
3. I am responsible for the timely completion of the project and the prompt removal of any related debris. Refer to HOA Guidelines for specific project timeline requirements, if applicable.
4. It is my responsibility to comply with the zoning, building codes laws, etc., of all governmental authorities. I understand that Association approval does not constitute approval of the local building department and that I may be required to obtain a building permit.
5. It is my responsibility to ensure all contractors are properly insured and require a Certificate of Insurance.
6. If an easement exists on my property, it will be located before any work begins.
7. I will follow the rules of the Protective Covenants, Architectural Guidelines and Rules and Regulations.
8. Approval by ARC is for aesthetic considerations only and does not represent structural integrity or soundness of construction.
9. Submission of this request gives permission of a member/members of the ARC Committee/Board of Directors to walk the owner's property to view/inspect the proposed project request before being started as well as upon completion.

Homeowner Signature is Required. No substitutes allowed. Failure to sign will result in a returned request to the owner.
